"The event was a fantastically fun day, made even better by being the only team in fancy dress. We showed we could work together effectively and that each person had different strengths. Most of all we supported a fantastic charity!"

Sue Clark (below left), MD, Midland Technical Translations

On receipt of your enrolment form you will be presented with an information pack which will give you further details about the day itself and help you with advice on how to raise your sponsorship. It will also include a letter of endorsement and sponsorship forms.

A word from past participants

"This has been a great experience. I thought I knew my colleagues pretty well, but doing new things and undertaking physical challenges together has taught us a lot about each other and the way we work together. We've really been made to work as a team and solve problems in a totally new way."

Maria Nicol, Commercial Property Lawyer with Hadens Solicitors
